Books and Biscuits

Such a fantastic group of boys and girls today. I was thrilled to see the progress in their books. We were all in awe of the productivity - so much good quality work produced in lessons showing great focus and amazing concentration. The only negative was the disappointing fact that not all their parents had managed to make it to Parents' Evening so they too could see for themselves and celebrate such amazing achievements and progress. Please do not hesitate to contact us if you have not yet been able to see your child's teacher.
