

We used our **resilience** to rock climb and **motivation** from our classmates to help us when we were nervous.

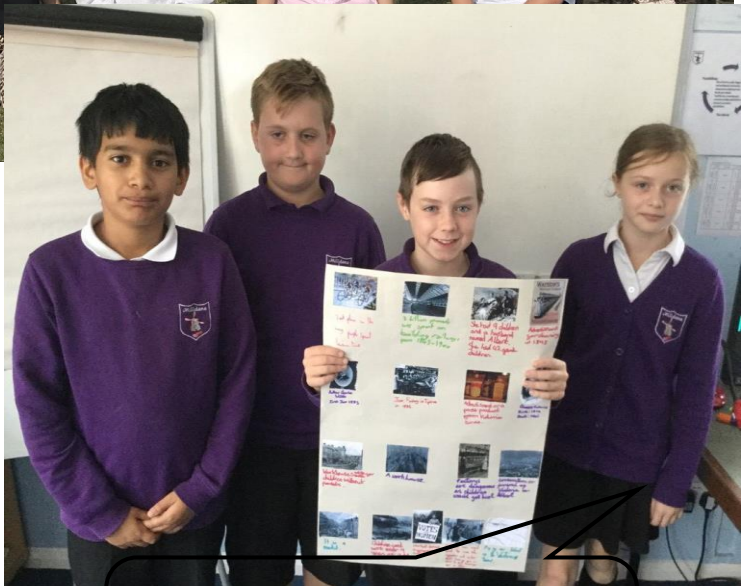

We built our **knowledge** of how light travels by making and using periscopes.

# Year 6 Diamond Class

At Kingswood, we had to use our **initiative** to ensure we were ready for the day ahead!

We **collaborated** to identify different systems and parts of the body.

We **investigated** who the Victorians were and the changes they brought to modern Britain.
